Dear Parents

Deworming tablet Albendazole has been sent in tiffin of the students whose parents have given consent for administration of the aforesaid medicine. Label of medicine has been shared below for your reference.

- Albendazole tablets have been supplied to the school by Govt Dispensary, Sec-20, Panchkula.
- By preventing worm infection, the medicine controls anaemia and improves nutritional intake.
- Please ensure that the medicine is taken after the meal. Child should **not** be empty stomach while taking the medicine.
- You may administer the medicine to your ward as per the convenient time. This medicine can be administered to children between age of 1-19 years.

Kindly keep the following points in mind before giving the medicine to your ward.

📍 Opp. Suncity Parikrama Sector -20, Panchkula (HR) 📞 0172-2520052, 623-965-2230

Do's –

- Ask children to chew properly.
- Drug must be administered under the supervision of adults.

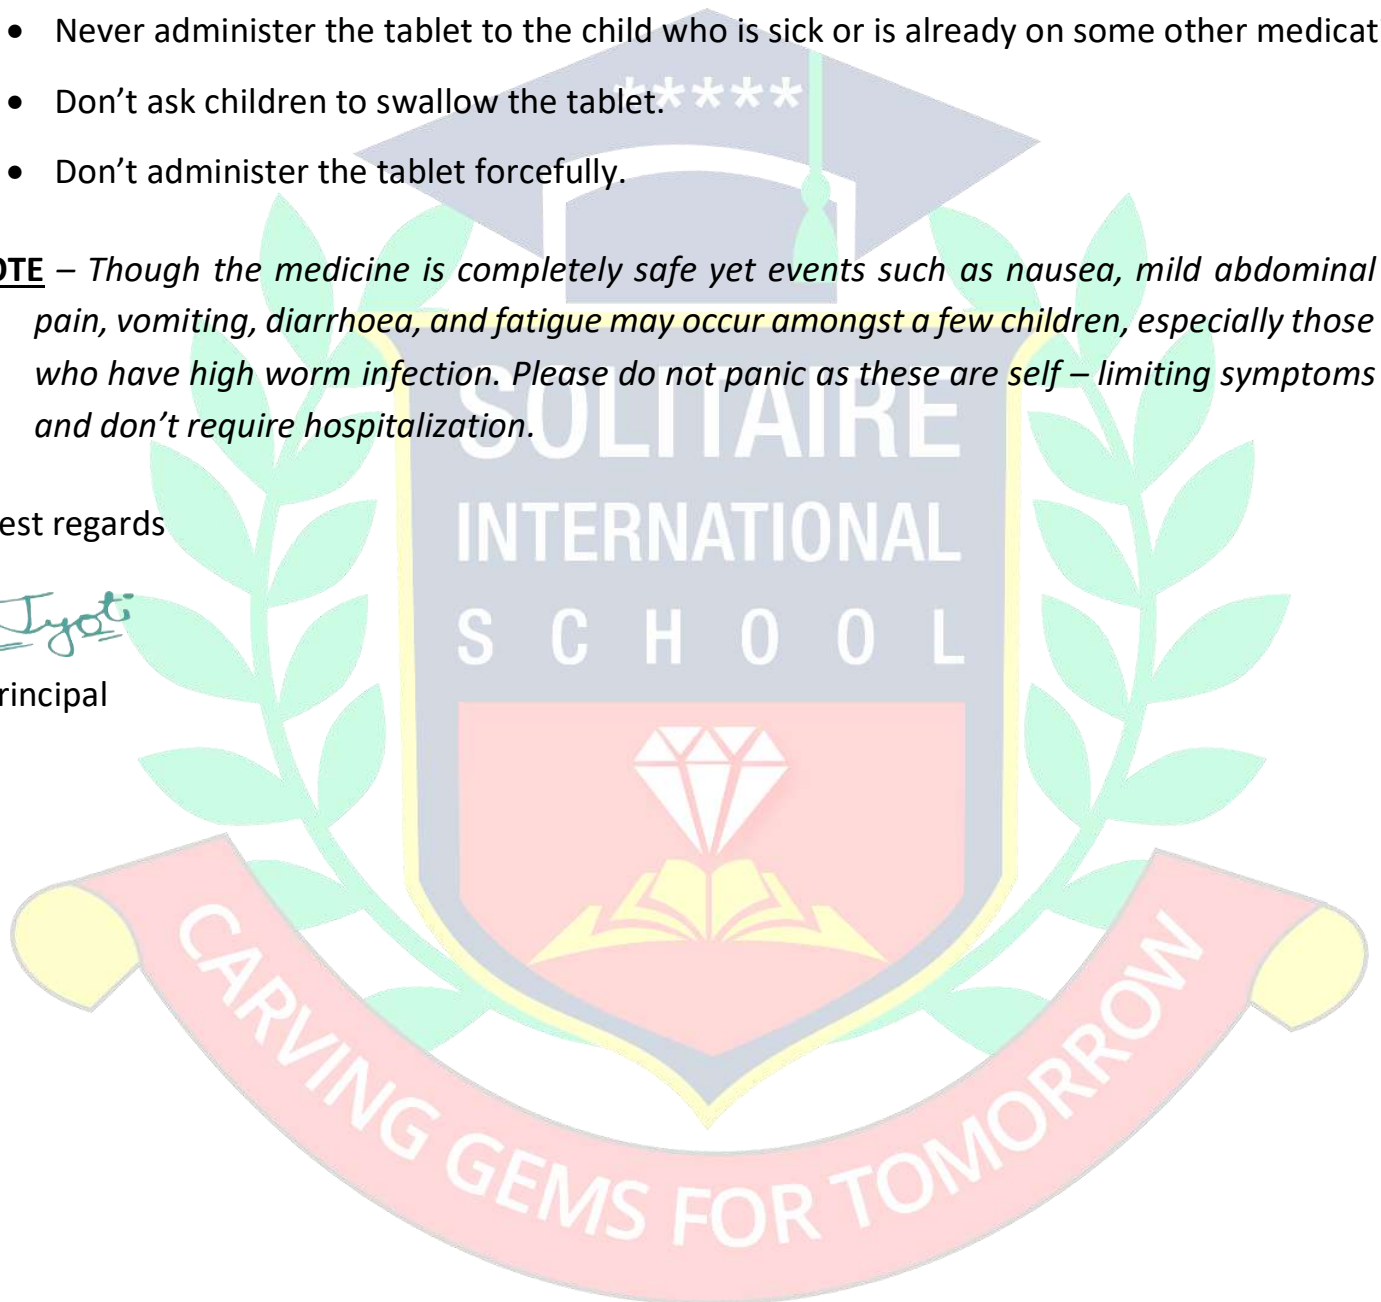

Don'ts –

- Never administer the tablet to the child who is sick or is already on some other medication.
- Don't ask children to swallow the tablet.
- Don't administer the tablet forcefully.

NOTE – *Though the medicine is completely safe yet events such as nausea, mild abdominal pain, vomiting, diarrhoea, and fatigue may occur amongst a few children, especially those who have high worm infection. Please do not panic as these are self – limiting symptoms and don't require hospitalization.*

Best regards

Principal
