Dear Parents

Greetings!

**Subject:** Digital Library & CBSE Reading App

Reading for children is crucial as it fosters cognitive growth, improves vocabulary, enhances imagination and boosts empathy. Books introduce kids to different cultures, ideas and life experiences, shaping their perspectives and values. Reading also aids in language development, strengthens concentration and provides an enjoyable way to learn.

The **CBSE Reading App powered by Freadom** is India's largest digital library for children, dedicated to cultivating a transformative reading ecosystem and igniting a life-long love for reading. Integrating cutting-edge technology and a wide range of educational content – curated from esteemed publishers like Penguin, Harper Collings, Madhuban and more – The CBSE reading app offers a rich educational experience tailored for **Nursery grades through Grade X**. The app is available on both, **Google Play Store and Apple App Store**.

Kindly download the app in your device. While registering your ward on the app, you'll be required to fill school affiliation code in 7 digits i.e. **0532060**.

National Reading Day will be celebrated on 19<sup>th</sup> June 2024 in which we anticipate maximum participation of all classes.

We wish our students a happy reading and learning!

Regards
